

Our Mission

The Humane Society of Indianapolis is the leading voice for the welfare of animals and improving their quality of life. IndyHumane is the first choice in providing direct services for cats and dogs, including adoption, foster home placement, behavior training, appropriate medical care, and affordable spay/neuter services. As the voice for the animals, IndyHumane brings together like-minded, animal-focused individuals and groups to educate the public about animal welfare issues and concerns.

For more than 100 years, it's all about the animals.
